

Vacationland Volkswagen Association

P.O. Box 632

Auburn, ME 04212-0632

www.mainevwclub.org

Thanks for inquiring about Vacationland Volkswagen Association! We are a non-profit organization catering to the VW enthusiast.

Our club was established in the Spring of 1988. A club of this type was not known to exist in the Northern New England area, so a small group started meeting and decided to form a club. The name is simple, "Vacationland Volkswagen Association," named after what the State of Maine is known as...Vacationland. At least that's what our license plates tell us!

In the ensuing years since the formation of VVA, our club has grown from five to over sixty individuals and families, and we are in contact with other car clubs all over the country. Our membership continues to grow!

We have picnics, outings, and caravans to many New England car shows and beyond. On July 22, 1990, we sponsored our first VW Car Show, and our second annual show on July 21, 1991. We have been holding an annual summer car show since that time. The show is currently scheduled for the second Sunday of August at the Windsor Fairgrounds.

We are a growing organization and encourage suggestions that will help our club prosper and grow. We have monthly meetings or outings January through November and a holiday party in December.

New members may join our club at any time by coming to one of our meetings, or by completing the Member Information Sheet and mailing it along with the Club dues of \$20.00 per year.

Upon joining our club, you will receive our bi-monthly newsletter, which you will continue to receive for the term of your year's membership. Placing an ad in the newsletter is free to club members. Club hats and T-shirts will be available for sale at most meetings.

Vacationland Volkswagen Association would welcome you and hope you enjoy our VW club.

| | | |
|------------------------|-------------------|--|
| PRESIDENT: | George Speck | Information concerning club hierarchy and scheduling for caravans to area VW events. |
| VICE-PRESIDENT: | Sheila King | Information on local club sponsored events. |
| SECRETARY: | Louise Geoffroy | Initial membership and any club business. |
| TREASURER: | Dave Wallace | Dues payments and other financial matters. |
| EDITOR: | Louise Berthiaume | Submitting any material to the newsletter. |

We encourage members to write in to the newsletter! Any experience you may have had with a VW - project, technical, funny, or just generally interesting, will be greatly appreciated!

All of the above people may be contacted by writing to their attention in care of the Vacationland Volkswagen Association address listed above.

Annual elections are held at the March monthly meeting. Please attend this meeting - your vote counts!
